

‘Vegas’ – video works by DO U WANT TO MOVE BACK TO LDN
24.08. – 20.09.2026

DO U WANT TO MOVE BACK TO LDN is a collaborative project between John T. Gast and Solomon Garçon. The project uses experimental techniques borrowed from noise, dub, classical, and film score. Their live performances take an improvisational approach which is echoed in the recorded output available via DOUWANTTOMOVEBACKTOLDN.COM. Previous shows include Cafe Oto (UK), Spanners (UK), IIR Residency (DK) and Volksbühne (DE).

For the occasion of this show an edition of 50 prints were produced and are available on site.
